TERMS OF ALLIES WITHOUT CHANGE

PARIS June 23 - Germany request ed two more days in which to reply indative to signing the treaty without reservations which the entente refound to grant. The council of three their relected the request. The Germans are pleased with the change of government, but generally disturbed conditions make it difficult to complete arrangements. President Wilson Premier Clemenceau and Lloyd-George met at 9 o'clock today and considered the request. The German answer regarding the treaty was received by the peace conference this atternoon. Its contents had not been revealed up to 3:45 o'clock.

The day and hour for the formal signing is uncertain, possibly it will occur Tuesday, but more likely Wednesser. The Italian delegates in Paris have been authorized to sign on behalf of Italy. This removed the question which it was feared much delay the signing.

By Associated Press)

ATLANTIC CITY, N. J., June 22-The labor convention today indersed the telegraphers strike unanimously. Gompers will appoint a committee to confer with Burleson to not that concessions recently granted telephone workers include telegraphers. He declared such extension would end the strike.

The convention adopted a resolution changing the American Federation of Labor constitution to permit disciplinary action against unions which show radical tendencies.

KNOX CALLS FOR

WASHINGTON, June 23. Senator Knox announced today that after the appropriations bill has been passed he will attempt to obtain a vote on his resolution expressing unwillingness to accept the league of nations covenant as an inseparable part of the treaty.
